Program Description

This program awards grants to LEAs and other public and private entities to develop and implement, or expand, school-based drug testing programs for students.

Types of Projects

The drug testing funded by these grants must be part of a comprehensive drug-prevention program in the schools served, and provide for the referral to treatment or counseling of students identified as drug users. The projects funded by these grants also must be consistent with constitutional principles and state and federal laws and requirements regarding student drug testing, and must ensure the confidentiality of testing results.
